RE: 2015 Virginia Statewide Fire Prevention Code Now Available

The purpose of this memo is to announce that the 2015 edition of the Virginia Statewide Fire Prevention Code (SFPC), scheduled to be effective October 16, 2018, is now available on DHCD's website.

The 2015 Virginia SFPC (and the other building and fire related regulations) are available on our Regulation Archives page at the following link: [Virginia Regulations](#). We anticipate the custom Virginia SFPC book, published by ICC, to be available early 2019. In the meantime the 2015 I-Codes can be viewed here: [2015 I-Codes](#).

DHCD is available to answer any questions you may have regarding the 2015 SFPC or other regulations recently approved by the Board of Housing and Community Development. Contact information for DHCD staff is below.
